## From The Desk of Our Executive Director

Dear Friends, Families and Supporters of Vanguard Landing,

It's never a dull moment over here at Vanguard Landing!

Considering the recent attempts to harm our project (more can be

share in the next Newsletter), we remain steadfast and focused on our mission. Attempts to take our beautiful land were not successful!

Since January 1st,

- We've raised just over \$2 Million dollars towards our \$4 million dollar 2021 Goal
- Our Master Site Plan and Building Plans are in the middle of the City Approval Process
- Once approved, our Construction Loan is ready and waiting
- Then, our 18-24 month build will begin!

Vanguard Landing and all of its participants' futures are very bright! If you have not begun to submit your Admissions Packet, we recommend starting as fast as you can to secure your child's spot!

Thank you for all the support and belief in something that is bigger than all of us and so crucially important to our friends and family with Intellectual Disabilities.

A new choice for all is so needed and Vanguard Landing will be here, Where Exceptional People Will Live Extraordinary Lives!

## **VGL Friends in Action**

### **This month we'd like to recognize our FEATURED FAMILY!**

The Miller Family has been a constant supporter over the years! Bernadette and her daughter Mary Claire are the first to volunteer for everything we need it seems!!

When we needed help stuffing and prepping envelopes? Mary Claire and Bernadette are there!

When we needed pretty faces for a marketing photo shoot? Mary Clair and Bernadette were there!

When we needed supporters to be interviewed for a Ch  
3 Interview? You guessed it! Mary Claire and  
Bernadette were there!

When we needed help with our Give Local Thank You  
Card....They were there too! You may have seen Mary  
Claire's beautiful letter and picture in YOUR thank  
you card just a few weeks ago!

We are SO grateful to them and want to let them know  
how much they are loved by all of us at Vanguard  
Landing! Your constant presence does not go  
unnoticed.
