## From the Desk of our Executive Director...

Hello from the sweetest little Farmhouse (future restaurant) on the grounds of the soon-to-be Vanguard Landing Intentional Community!

What an amazing and a little challenging year 2021 has been for everyone including those at the helm of the VANGUARD “ship” steering us toward success! Just like the inspiration for our name, The USS Constitution Ship won the War of 1812 using the Vanguard formation, our ship is still on track heading towards the day when we will break ground after years of diligence and fortitude.

We are grateful for those who have stayed the course with

us and believed in us! Starting a non-profit from scratch with a Mission this important and this large of a Construction Budget takes time. The last Intentional Community before us took 12 years to get to Groundbreaking so we are on target!

As I have mentioned before, for now, the only way we can raise the necessary funds is to hold events and ask for donations from wonderful people like you! Once we are fully open, we will be able to help ourselves with much less fundraising. We know that all of you are having to deal with rising costs of this inflationary period we are going through but if you are able to share a little with us, we are forever grateful. We are appreciative of any amount – it ALL matters!

This time of year we hold an End of Year fundraising effort that we call the Annual Fund – it can be straight donation, Join the One In A Million Campaign, sign up to be a Guardian Angel or you can start on making payments on a specific Naming Opportunity! To secure a Naming Opportunity, email me at [ddear@vanguardlanding.org](mailto:ddear@vanguardlanding.org)

When I count my blessings, I consider the loyal supporters of Vanguard Landing at the top of my list!

My wish is that you have a wonderful, blessed and cozy Thanksgiving with your family!

Respectfully,  
Debbie
