What's Happening at VGL

We are continuing Our Initial Capital Campaign that we started last year with the amount needed to secure our funding with Virginia Housing!

Since last April, we have raised approximately \$2.1 million for THIS part, and we still need about \$455,000 more to close on our construction loan!

This can come from direct donations which can also be applied to Naming Opportunities! It can also be part donation, part two year pledge. Check out all of our Naming Opportunities listed on our Website by clicking the link below:

Did you know?

- Our beloved property, purchased in 2014, was originally owned by the LAND family. We believe this is quite appropriate that it will forever be Vanguard LANDing!
- The two descendants, whom we bought it from, inherited this property from their Mother, Louise Halstead.

- Our Farmhouse was one of the original structures on the property. Others included a kitchen, an additional house, a barn and a store. This soon will be renovated by us to be a restaurant called Lindsey Grace's!
- When fully developed, we are keeping this property over 50% green!
